IT IS A PRIVILEGE TO JOIN IN SALUTING  
CAPT. REV. FATHER ALBOUNA ELIE ZOUIN  
IN CELEBRATION OF YOUR 20<sup>TH</sup> ANNIVERSARY  
IN THE PRIESTHOOD OF THE MARONITE CATHOLIC CHURCH

One of the most challenging but fulfilling roles which anyone can assume in life is that of providing faithful stewardship, whether it is by circumstance, by calling, by example or by inspiration.

Father Zouin, we are proud to acknowledge that you represent all of these; and in your ministry at St. Anthony's Parish and in your entire community, you continue to do so.

Your life is dedicated to serving others.

From your early years in Lebanon through your history of education and devotion, both to your church and to your fellow citizens in whatever assignment you have answered, you have proven the essential goodness of caring.

You have demonstrated the privilege of advancing the well being of others through your ministry, your wise counsel, and the example you have set in your willingness to participate in so many diverse elements of all our lives.

Many assignments have been entrusted to you.

Many recognitions have been accorded to you, and deservedly so.

Yet we hope that the acknowledgement which we offer on this very special occasion will be prominent among the many and rewarding experiences of your dedicated and admired stewardship.

May your parish duties and your other ministries continue to be enriched by your example and enlivened by your patience, understanding, and the wisdom which only a lifetime of experience such as yours can impart.

From the City of Windsor, congratulations, and every good wish for the future.

Sincerely,

Eddie Francis  
Mayor
